

HELIPRO

Helipro offers amazing scenic flying experiences featuring the best of New Zealand's and the Bay of Plenty's raw and unspoilt scenery.

Powerful volcanoes and thermal reserves, tranquil and relaxing wilderness areas and our local lakes and coastlines offer a snapshot of the extraordinary environment and the experiences available.

In and around the Bay of Plenty (Rotorua) and beyond, the excursions include the opportunity to walk through the active steaming crater floor of the renowned island volcano of White Island or stand on the rugged, awe-inspiring summit of Mt Tarawera, the site of the largest eruption in New Zealand's living history.

Walk amongst some of New Zealand's most endangered birds on sacred Mokoia Island or access the region's wilderness areas for fly-fishing in a private paradise. Helipro is also available for exclusive transfers to golf courses and wineries within the Central North Island.

Experienced pilots and their intimate knowledge of the local region combine to create safe and exciting tours.
