

AWAROA LODGE

Discerning travellers from all over the world appreciate the distinctive architecture and relaxed ambience of Awaroa Lodge. Discover a perfect balance of natural comfort and contemporary style, welcoming hospitality and creative organic cuisine. Awaroa Lodge has built an enviable reputation for sensational, taste infused lodge-style cuisine. The lodge's abundant organic garden has a major influence on the menu. Catch the chef picking seasonal greens, vine ripened tomatoes and seasonal herbs daily.

At the quiet northern end of Abel Tasman National Park, Awaroa Lodge is the perfect vantage point to explore the famous Abel Tasman Coastal Track - the most beautiful of all New Zealand's 'Great Walks'. Abel Tasman National Park's most popular activity, next to walking, is sea kayaking. From Awaroa Bay there are many sheltered bays to explore and seal watching at Tonga Marine Reserve. Every journey is unique from paddling the coastline by sea kayak to walking through native forests and across vast coastal inlets to secluded bays of golden sands and turquoise waters.
