

## ABEL TASMAN WILSONS EXPERIENCES

Spend from two to five days on the spectacular Abel Tasman coast, staying at the only beachfront lodges in the park, Torrent Bay Lodge and Meadowbank Homestead - Awaroa. Relax or explore with walking, sea kayak and boat cruise options. No heavy packs to carry.

Your hosts, the Wilson family, share 7 generations of experience in the region. They know how to show you the best of golden sand beaches and lush native forest, fringed by protected azure waters and basking in the most sunshine hours in the country. Their civilised adventures won the NZ Tourism Industry Award 2006 Qualmark Tourism Mark of Quality.

Expert guides design each day to be as active or relaxed as desired. They entertain you with stories of a fascinating cultural and natural history whilst taking care of your comfort and safety.

Lodge staff create delicious, healthy meals prepared from fresh local produce, served with the best regional wines and beer.
