Milford Sound: Explore the much lauded wilderness and diverse landscape of the Fiordland region and Milford Sound. After being transferred to your helicopter, your adventure begins by following the Shotover River through Skippers Valley before discovering Paradise at the head of Lake Wakatipu. Cross the imposing snow capped Southern Alps to expose lush rainforest and mirror-clear alpine lakes where your first landing at Key Summit (2746m) allows time to absorb the natural beauty. A glacier landing on Mount Tutuko reinforces that this area has surprises to uncover, offering many wilderness experiences. Marvel at the thundering Sutherland Falls before a tranquil lunch at secluded Lake Quill overlooking the majestic Milford Sound - the iconic dining destination. A sumptuous hamper offering New Zealand fare being the perfect complement.

Homeward bound, view the Humboldt Mountains and pristine Dart and Rees Rivers before descending into the Wakatipu Valley to complete the perfect adventure.

Franz Josef Sunset Flight: Your memorable glacier experience begins in the twilight of the day when you are picked up from your accommodation. As the sun sinks in the sky, tinging the spectacular glaciers with an orange hue, your helicopter awaits to take you on a voyage of discovery amongst ice formations formed by the powerful thrust of the advancing glaciers. Explore both the Franz Josef and Fox Glaciers, discover the Baumann snowfield and views of Mount Tasman and Aoraki Mount Cook before the ultimate - landing on the Gieke Snowfield.
