

## HILTON AUCKLAND

Hilton Auckland, a contemporary boutique hotel, 300 metres out to sea on the end of Princes Wharf, is a welcoming and stylish haven. Only a five minute walk to Auckland's CBD and even closer to the Viaduct Village, home to 30 bars and restaurants on the waterfront. Unique in its absolute waterfront position, the nautically inspired design offers guests beautiful and uninterrupted views across Auckland's harbour.

The hotel features 160 designer furnished rooms and 6 suites, spacious and welcoming, all leading onto generous private balconies. Conde Nast Traveler describes the hotel as 'the renegade Hilton that has beaten the boutique hotels at their own game.'

White Restaurant is an elegant, contemporary restaurant which seats 80. With sweeping views over the harbour, the cuisine is classical with a pan-Pacific twist that uses the best of fresh New Zealand produce. Bellini Bar is the hippest place to be seen and first real cocktail bar in Auckland.

Enjoy the tranquility of staying over water.
