

MOLLIES ON TWEED

Mollies is situated only a stone's throw away from the busy CBD of Auckland in the up-market suburb of St Mary's Bay. Tucked away in a peaceful setting amongst other private residences, you will be forgiven for thinking that you have been slipped the keys to your very own home away from home.

From the bright, cool entrance hall hosting an 18th-century Swedish campaign bed, to the lofty height of the 20-foot ceilings in the new suites, the detail at Mollies is what makes her so impassably beautiful.

With only twelve suites on offer, each one is unique and has its own character with private balconies and views of the glistening harbour, city skyline and volcanic cones.

Each of the suites at Mollies are tastefully fitted out with a collection of antiques and magpie finds giving your guest a very personal and private homely experience.
