

CARRINGTON

Carrington is a leading 5-star luxury resort providing the space to unwind and appreciate the natural landscape, or the challenge of a number of on-site recreational activities, such as golf on our tournament-quality 18 hole course, fishing, horse riding, massage, clay target shooting, tennis, swimming and much more. Carrington provides luxury accommodation including 10 lodge rooms and 14 two bedroom self-contained villas, all nestled amidst the resort's spectacular scenery.

The gourmet cuisine crafted by Carrington's Michelin trained chef echoes the refinement of the resort itself and takes advantage of the freshest seasonal produce that abounds in the sub-tropical north. To complement the menu, our wine list offers the latest award winning vintages from our adjoining vineyard and winery - Karikari Estate, where guests are invited to participate in vineyard and winery tours, or just relax in the Tuscan-style surrounds.
