

BUSH AND BEACH

Bush and Beach is a small, privately-owned business that has been operating since 1984. The company is a multi-award winning eco-tour operator that specialises in full day and half day private tours, small groups, and small party charters in and around Auckland. Friendly, knowledgeable eco-guides are passionate about their environment and deliver a high quality, inter-active experience.

Bush and Beach tours showcase the hidden gems of Auckland's west coast wild black sand beaches, lush rainforest and the wineries of New Zealand's first commercial wine making area. Within thirty minutes of your Auckland city accommodation you can feel yourself unwind as you walk the easy bush tracks amongst New Zealand's famous kauri trees and giant tree ferns. Your spirits rise as you feel the power of the wild and rugged west coast and stroll along awe-inspiring beaches.

Find paradise as it used to be on our full day guided eco-tour to untamed Great Barrier Island, the guardian of Auckland's Hauraki Gulf.
